

## **Enterprise GP Holdings Ranks 12th in Chronicle 100 for 2009**

May 18, 2009

HOUSTON--(BUSINESS WIRE)--May. 18, 2009-- Enterprise GP Holdings L.P. (NYSE:EPE) today announced that it has been ranked 12th in an annual survey of Houston's 100 top-performing, publicly traded companies. Compiled by the *Houston Chronicle*, the rankings are based on four measures of financial performance in 2008: total revenue, revenue growth, earnings per share growth, and one-year total return to shareholders on a dividend-reinvested basis. A complete breakdown of the rankings was published in the May 17, 2009 edition of the *Houston Chronicle* and can also be accessed at [www.chron.com/100](http://www.chron.com/100).

"Higher cash distribution rates as a result of our investment in Enterprise Products Partners, TEPPCO Partners and Energy Transfer Equity served as the foundation for our strong showing in this year's survey," said Dr. Ralph S. Cunningham, Enterprise GP Holdings president and chief executive officer. "For our hard work to receive this kind of recognition within our own community is particularly rewarding and complements our recent ranking as the top pipeline company in the Fortune 500 and the partnership's inclusion among the best-performing companies in the nation as ranked by Barron's."
