(NYSE:EPE) today announced it has been ranked 92nd in FORTUNE magazine's annual survey of America's 500 largest publicly traded corporations. The rankings, which are based on 2009 revenues, reflect EPE's ownership of the general partner and limited partner interests of Enterprise Products Partners L.P. (NYSE:EPD), which indirectly owns the general partner of and limited partner interests in Duncan Energy Partners L.P. (NYSE:DEP). Revenues for EPE totaled approximately \$25.5 billion in 2009.

"The record financial and operating performance of the Enterprise family of partnerships in 2009 was even more remarkable considering the recession-induced decline in U.S. economic activity and lower consumption of energy nationwide," said Dr. Ralph S. Cunningham, president and chief executive officer of Enterprise GP Holdings. "The fact that we were able to continue increasing distributions to the limited partners speaks to the strength of our diverse portfolio of strategically positioned assets."
