This press release contains various forward-looking statements and information that are based on Enterprise GP Holdings' beliefs and those of its general partner, as well as assumptions made by and information currently available to Enterprise GP Holdings. When used in this press release, words such as "anticipate," "project," "expect," "plan," "goal," "forecast," "intend," "could," "believe," "may," and similar expressions and statements regarding the plans and objectives of Enterprise GP Holdings for future operations, are intended to identify forward-looking statements. Although Enterprise GP Holdings and its general partner believe that such expectations reflected in such forward-looking statements are reasonable, neither Enterprise GP Holdings nor its general partner can give assurances that such expectations will prove to be correct. Such statements are subject to a variety of risks, uncertainties and assumptions. If one or more of these risks or uncertainties materialize, or if underlying assumptions prove incorrect, Enterprise GP Holdings' actual results may vary materially from those it anticipated, estimated, projected or expected. Among the key risk factors that may have a direct bearing on Enterprise GP Holdings' results of operations and financial condition are:

- fluctuations in oil, natural gas and NGL prices and production due to weather and other natural and economic forces;
- the effects of the combined company's debt level on its future financial and operating flexibility;
- a reduction in demand for its products by the petrochemical, refining or heating industries;
- a decline in the volumes of NGLs delivered by its facilities;
- the failure of its credit risk management efforts to adequately protect it against customer non-payment;
- terrorist attacks aimed at its facilities; and,
- the failure to successfully integrate our operations with companies, if any that we may acquire in the future.

Enterprise GP Holdings has no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
