Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On November 11, 2014, Oiltanking Partners, L.P., a Delaware limited partnership (the "Partnership"), entered into an Agreement and Plan of Merger (the "Merger Agreement"), by and among the Partnership, OTLP GP, LLC, a Delaware limited liability company and the general partner of the Partnership (the "General Partner"), Enterprise Products Partners L.P., a Delaware limited partnership ("Enterprise"), Enterprise Products Holdings LLC, a Delaware limited liability company and the general partner of Enterprise, and EPOT MergerCo LLC, a Delaware limited liability company and a wholly owned subsidiary of Enterprise ("MergerCo").

Subject to the satisfaction or waiver of certain conditions in the Merger Agreement, upon the later of the filing with the Secretary of State of the State of Delaware of a certificate of merger or the later date and time set forth in such certificate, the Partnership will merge with MergerCo, with the Partnership surviving the merger as a wholly owned subsidiary of Enterprise (the "Merger"). Following the Merger, the General Partner will remain the general partner of the Partnership and all outstanding common units representing limited partner interests in the Partnership (the "Partnership Common Units") (other than Partnership Common Units held by Enterprise or its subsidiaries) will be converted into the right to receive 1.30 common units representing limited partnership interests in Enterprise (the "Enterprise Common Units"). No fractional Enterprise Common Units will be issued in the Merger, and holders of Partnership Common Units will, instead, receive cash in lieu of fractional Enterprise Common Units, if any. The 54,799,604 Partnership Common Units beneficially owned by Enterprise Products Operating LLC, a Delaware limited liability company and wholly owned subsidiary of Enterprise ("EPO") (consisting of (i) 15,899,802 currently outstanding Partnership Common Units and (ii) 38,899,802 additional Partnership Common Units issuable upon conversion (the "Conversion") of an equal number of currently outstanding Partnership subordinated units, such Conversion to occur in accordance with the Partnership's partnership agreement on November 17, 2014, the first business day immediately after the payment of the Partnership distribution on November 14, 2014), will remain outstanding and EPO will continue as a limited partner of the Partnership. In connection with the Merger, EPO will not receive any consideration for the continuation of its limited partnership interests in the Partnership, the General Partner will not receive any consideration for the continuation of its general partner interests or incentive distribution rights in the Partnership, and Enterprise will be admitted as a limited partner of the Partnership and be issued Partnership Common Units equal to the converted Partnership Common Units held by unitholders other than Enterprise or its subsidiaries.

The conflicts committee (the "Conflicts Committee") of the board of directors of the General Partner (the "GP Board") has unanimously in good faith approved the Merger Agreement and the transactions contemplated thereby, including the Merger, determined that they are fair and reasonable to and in the best interests of the Partnership and the "Partnership unaffiliated unitholders" (consisting of Partnership unitholders other than Enterprise and its affiliates, the Partnership and its subsidiaries and the directors and executive officers of the General Partner), and resolved to approve and recommend the approval of the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger, to the GP Board. Based upon such approval by the Conflicts Committee, the GP Board has unanimously approved and adopted the Merger Agreement and the transactions contemplated thereby, including the Merger, and directed that the Merger Agreement be submitted to the holders for approval at a meeting of such holders for the purpose of approving the Merger Agreement and the Merger.

The Merger Agreement contains customary representations and warranties and covenants by each of the parties. Completion of the Merger is conditioned upon, among other things: (1) approval of the Merger by holders of a majority of the outstanding Partnership Common Units (after giving effect to the Conversion); (2) applicable regulatory approvals; (3) the absence of certain legal injunctions or impediments prohibiting the transactions; (4) the validity of the representations and warranties made by the parties to the Merger Agreement; (5) the effectiveness of a registration statement on Form S-4 with respect to the issuance by Enterprise of the Enterprise Common Units in connection with the Merger; (5) the receipt of certain tax opinions; (6) approval for the listing of the Enterprise Common Units to be issued in connection with the Merger on the New York Stock Exchange; and (7) the nonoccurrence of certain events that would have a material adverse effect on the business of the Partnership or Enterprise.

The Merger Agreement provides that the Partnership will convene a meeting of Partnership unitholders to consider and vote on the approval of the Merger Agreement and the Merger, subject to the terms and conditions of the Merger Agreement. The Merger Agreement permits, subject to certain conditions, the Conflicts Committee or the GP Board to withdraw, modify or qualify its recommendations and to publicly approve or recommend an Acquisition Proposal (as defined in the Merger Agreement) (an "OILT Change in Recommendation") if it has concluded in its good faith judgment, after consultation with its outside legal counsel and financial advisors, that failure to make an OILT Change in Recommendation would be inconsistent with its duties under the Partnership's partnership agreement and applicable law. If there occurs an OILT Change in Recommendation in accordance with the Merger Agreement, the Partnership is not required to call, hold or convene the meeting of unitholders.

The Merger Agreement contains provisions granting both the Partnership and Enterprise the right to terminate the Merger Agreement for certain reasons, including, among others, (1) if the Merger has not been consummated on or before March 31, 2015 (2) the failure of the Partnership to obtain approval of the Merger by the affirmative vote or consent of holders of at least a majority of the outstanding Partnership Common Units, and (3) in the event an OILT Change in Recommendation has occurred.

Support Agreement

In connection with the Merger Agreement, the Partnership entered into a Support Agreement, dated as of November 11, 2014 (the “Support Agreement”), by and among the Partnership, Enterprise and EPO. Pursuant to the Support Agreement, EPO agreed to vote its Partnership Common Units in favor of the adoption of the Merger Agreement at any meeting of Partnership unitholders. EPO directly owns 54,799,604 Partnership Common Units (after giving effect to the Conversion), representing approximately 66 percent of the outstanding Partnership Common Units and a sufficient vote for approval of the Merger Agreement and the Merger if voted in favor therefor pursuant to the Partnership’s partnership agreement. In addition, pursuant to the Support Agreement, EPO granted an irrevocable proxy to a member of the Conflicts Committee to vote such units accordingly.

The Support Agreement will terminate upon the earlier of (i) the effective time of the Merger, (ii) the termination of the Merger Agreement in accordance with its terms, (iii) an OILT Change in Recommendation permitted under the Merger Agreement, or (iv) the written consent of the parties to the Support Agreement.

Section 5.2 *Representations and Warranties*. Subject to Section 5.1 and except as set forth in its Disclosure Schedule or (other than with respect to Sections 5.2(a) and (b)) as set forth in its SEC Documents filed and publicly available prior to the date hereof (excluding any disclosures included therein to the extent they are cautionary, predictive or forward-looking in nature, including those in any risk factor section of such documents), OILT hereby represents and warrants to Partners with respect to OILT and OTLP GP (and to the extent necessary with respect to any representations by OILT herein, OTLP GP also represents and warrants to Partners), and Partners and MergerCo hereby represent and warrant to OILT with respect to themselves and Partners GP (and to the extent necessary with respect to any representations by Partners and MergerCo herein, Partners GP also represents and warrants to OILT), to the extent applicable, in each case with respect to itself and its Subsidiaries, as follows:

(b) *Capitalization.*

(i) In the case of OILT, as of the date hereof, there are 44,228,692 OILT Common Units and 38,899,802 OILT Subordinated Units issued and outstanding, and all such OILT Common Units and OILT Subordinated Units and the limited partner interests represented thereby were duly authorized and are validly issued in accordance with the OILT Existing Partnership Agreement and are fully paid (to the extent required under the OILT Existing Partnership Agreement) and nonassessable (except as such nonassessability may be affected by Sections 17-303, 17-607 and 17-804 of the DRULPA), and are not subject to any preemptive or similar rights (and were not issued in violation of any preemptive or similar rights). (i) Such party has the requisite limited partnership or limited liability company power and authority to execute, deliver and perform its obligations under this Agreement and, subject to OILT Unitholder Approval in the case of OILT, to consummate the transactions contemplated hereby. Subject to OILT Unitholder Approval in the case of OILT, this Agreement and the transactions contemplated hereby have been authorized by all necessary (limited partnership or limited liability company, as applicable) action by such party. This Agreement has been duly executed and delivered by such party and constitutes a valid and binding agreement of such party (assuming the due execution and delivery of this Agreement by, or with respect to, the Other Parties), enforceable against it in accordance with its terms (except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar Laws of general applicability relating to or affecting creditors' rights or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law)).

(ii) The Partners GP Board has determined that this Agreement and the transactions contemplated hereby, including the Merger and the New Common Unit Issuance (collectively, the "Partners Merger Transactions") are fair and reasonable to, and in the best interests of, Partners, and has approved this Agreement and the Partners Merger Transactions.

(iii) The OTLP GP Board has delegated to the OTLP GP Conflicts Committee the power and authority to consider, review, evaluate, analyze, negotiate and approve, and, if so approved, to determine whether to recommend that the OTLP GP Board approve, the terms and conditions of this Agreement and the transactions contemplated hereby including the OILT Merger Transactions (as defined below). (e) *No Violations or Defaults.* Subject to the declaration of effectiveness of the Registration Statement, required filings under federal and state securities laws and with the NYSE, assuming the other consents and approvals contemplated by Section 5.2(f) and Article VII are duly obtained and assuming the consents, waivers and approvals specified in Section 6.10(a) are obtained, the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby by such party do not and will not (i) constitute a breach or violation of, or result in a default (or an event that, with notice or lapse of time or both, would become a default) under, or result in the termination or in a right of termination or cancellation of, or accelerate the performance required by, any note, bond, mortgage, indenture, deed of trust, license, franchise, lease, contract, agreement, joint venture or other instrument or obligation to which it or any of its Subsidiaries is a party or by which it or any of its Subsidiaries or properties is subject or bound except for such breaches, violations, defaults, terminations, cancellations or accelerators that, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on such party, (ii) constitute a breach or violation of, or a default under, in the case of OILT, the OILT Existing Partnership Agreement, the OILT Certificate of Limited Partnership, the OTLP GP Existing LLC Agreement or the OTLP GP Certificate of Formation, and in the case of Partners, the Partners Partnership Agreement, the Partners Certificate of Limited Partnership, the Partners GP LLC Agreement or the Partners GP Certificate of Formation, (iii) materially contravene or conflict with or constitute a material violation of any provision of any Law binding upon or applicable to it or any of its Subsidiaries, (iv) result in the creation of any material Lien on any of its assets or its Subsidiaries' assets, or (v) cause the transactions contemplated by this Agreement to be subject to Takeover Laws.

(f) *Consents and Approvals.* No consents or approvals of, or filings or registrations with, any Governmental Authority are necessary in connection with (i) the execution and delivery by such party of this Agreement and (ii) the consummation by such party of the transactions contemplated by this Agreement, except for (A) the filing with the SEC of a proxy statement relating to the matters to be submitted to the OILT Unitholders at the OILT Meeting and a registration statement on Form S-4 with respect to the issuance of the New Common Units in the Merger (such registration statement on Form S-4, and any amendments or supplements

(g) *Financial Reports and SEC Documents.* With respect to the OILT Parties, OILT’s, and with respect to the Partners Parties, Partners’, Annual Report on Form 10-K for the fiscal year ended December 31, 2013, and all other reports, registration statements, definitive proxy statements or information statements filed or to be filed by it or any of its Subsidiaries subsequent to December 31, 2013 under the Securities Act, or under Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, in the form filed, or to be filed (collectively, “SEC Documents”), with the SEC as of their respective dates (i) complied or will comply in all material respects as to form with the applicable requirements under the Securities Act or the Exchange Act, as the case may be, and (ii) did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. The historical financial statements of OILT and its consolidated Subsidiaries, with respect to the OILT Parties, and of Partners and its consolidated Subsidiaries, with respect to the Partners Parties, contained in or incorporated by reference into any such SEC Document (including the related notes and schedules thereto) (A) comply in all material respects with the applicable requirements under the Securities Act and the Exchange Act, and (B) fairly present the financial position, results of operations, partners’ equity and cash flows, as the case may be, of the entity or entities to which they relate as of the dates or for the periods to which such financial statements relate, in each case in accordance with U.S. generally accepted accounting principles consistently applied during the periods involved, except in each case as may be noted therein, subject to normal year-end audit adjustments in the case of unaudited statements.

(h) *Absence of Undisclosed Liabilities.* Except as disclosed in the audited financial statements (or notes thereto), included in such party’s Annual Report on Form 10-K for the year ended December 31, 2013, or in the financial statements (or notes thereto) included in subsequent SEC Documents filed by such party prior to the date hereof, neither such party nor any of its consolidated Subsidiaries had at December 31, 2013 or has incurred since that date, any liabilities or obligations (whether absolute, accrued, contingent or otherwise) of any nature, except (i) liabilities, obligations or contingencies that (A) are accrued or reserved against in the financial statements of such party included in the SEC Documents filed prior to the date hereof, or reflected in the notes thereto, or (B) were incurred since December 31, 2013 in the ordinary course of business and consistent with past practices or (ii) liabilities, obligations or contingencies that (A) would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on such party and its consolidated Subsidiaries taken as a whole or (B) that have been discharged or paid in full prior to the date hereof. Notwithstanding anything to the contrary herein, Partners makes no representation or warranty with respect to any liability or obligation of OILT or any of its Subsidiaries.

(i) *Compliance with Law.* Such party and each of its Subsidiaries is in compliance with and is not in default under or in violation of any applicable Law, except where such non-compliance, default or violation would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on such party. Since December 31, 2013, neither such party nor any of its Subsidiaries has received any written notice or, to such party's Knowledge, other communication from any Governmental Authority regarding any actual or possible violation of, or failure to comply with, any Law, except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on such party.

(j) *Material Contracts.*

(i) Except for this Agreement and the other agreements and contracts filed as exhibits to OILT's and Partners' respective SEC Documents, as of the date hereof, none of OILT, Partners or their respective Subsidiaries is a party to or bound by any "material contract" (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC). All contracts of the type referred to in the previous sentence are referred to herein as "OILT Material Contracts" or "Partners Material Contracts," as applicable.

(ii) (A) In the case of OILT, (1) each OILT Material Contract is valid and binding and in full force and effect, (2) OILT and each of its Subsidiaries has performed all obligations required to be performed by it to date under each OILT Material Contract, (3) no event or condition exists that constitutes or, after notice or lapse of time or both, would constitute, a default on the part of OILT or any of its Subsidiaries under any such OILT Material Contract and (4) to the Knowledge of OILT, no other party to such OILT Material Contract is in default in any respect thereunder; and (B) in the case of Partners, (1) each Partners Material Contract is valid and binding and in full force and effect, (2) Partners and each of its Subsidiaries has performed all obligations required to be performed by it to date under each Partners Material Contract, (3) no event or condition exists that constitutes or, after notice or lapse of time or both, would constitute, a default on the part of Partners or any of its Subsidiaries under any such Partners Material Contract and (4) to the Knowledge of Partners, no other party to such Partners Material Contract is in default in any respect thereunder.

(k) *No Brokers.* No action has been taken by such party that would give rise to any valid claim against any party hereto for a brokerage commission, finder's fee or other like payment with respect to the transactions contemplated by this Agreement, excluding, in the case of OILT, fees to be paid to Jefferies LLC, and, in the case of Partners, fees to be paid to Citigroup Global Markets Inc., in each case pursuant to letter agreements, the existence of which have been heretofore disclosed to the other party and which fees have been disclosed to the other party.

(l) *Tax Matters.*

(i) All material returns, declarations, reports, estimates, information returns and statements required to be filed under federal, state, local or any foreign Tax Laws ("Tax Returns") with respect to such party or any of its Subsidiaries, have been timely filed, or requests for extensions have been timely filed and have not expired;

(ii) all Tax Returns filed by such party are complete and accurate in all material respects;

(iii) all Taxes shown to be due on such Tax Returns and all other Taxes, if any, required to be paid by such party or its Subsidiaries for all periods ending through the date hereof have been paid or adequate reserves have been established, in accordance with generally accepted accounting principles, for the payment of such Taxes;

(iv) no material (a) audit or examination or (b) refund litigation with respect to any Tax Return of such party is pending. As of the date hereof, neither such party nor any of its Subsidiaries (x) has granted any requests, agreements, consents or waivers to extend the statutory period of limitations applicable to the assessment of any Taxes with respect to any Tax Returns nor (y) except for the Tax Assignment Agreement and the Tax Sharing Agreement, is a party to any Tax sharing or Tax indemnity agreement;

(v) such party and each of its Subsidiaries that is classified as a partnership for U.S. federal income tax purposes has in effect a valid election under Section 754 of the Code;

(vi) such party is properly classified as a partnership for U.S. federal income tax purposes, and not as an association or a publicly traded partnership taxable as a corporation under Section 7704 of the Code and has been properly treated as such since its formation; and

(vii) no written claim has been made by any Tax authority in a jurisdiction where such party or any of its Subsidiaries does not currently file a Tax Return that such party or any of its Subsidiaries is or may be subject to any Tax in such jurisdiction, nor has any such assertion been threatened or proposed in writing and received by such party or any of its Subsidiaries.

(m) *Environmental Matters*. Except as would not, individually or in the aggregate, have a Material Adverse Effect: (a) such party and each of its Subsidiaries, their assets and their operations relating thereto are in compliance with applicable Environmental Laws; (b) no circumstances exist with respect to such party and each of its Subsidiaries, their assets or their operations relating thereto that give rise to an obligation by such party and each of its Subsidiaries to investigate or remediate the presence or release, on-site or offsite, of Hazardous Materials under any applicable Environmental Laws; (c) such party and each of its Subsidiaries, their assets or their operations related thereto are not subject to any pending or, to the Knowledge of such party and each of its Subsidiaries, threatened Proceeding under any Environmental Law; (d) all notices, permits, permit exemptions, licenses or similar authorizations, if any, required to be obtained or filed by such party and each of its Subsidiaries, with respect to their assets or their operations relating thereto have been duly obtained or filed and are valid and currently in effect and will be legally usable by such party and each of its Subsidiaries at the time of the Closing; (e) there has been no release of any Hazardous Material into the environment by such party and each of its Subsidiaries, their assets, or their operations relating thereto, except in compliance with applicable Environmental Law; and (f) there has been no exposure of any Person or property to any Hazardous Material in connection with their assets or their operations that is reasonably likely to result in liability under Environmental Laws.

(n) *Regulatory Matters.*

(i) Except as would not, individually or in the aggregate, have a Material Adverse Effect, such party and each of its Subsidiaries has, during the three years preceding the date hereof, made all required filings with all federal and state agencies, commissions and departments with regulatory oversight over such parties, Subsidiaries and their facilities, including all forms, statements, reports, notices, agreements and all documents, exhibits, amendments and supplements appertaining thereto, including all rates, tariffs and related documents, and all such filings complied, as of their respective dates, and, as amended or supplemented, with all applicable requirements of applicable statutes and the rules and regulations promulgated thereunder.

(ii) Such party and each of its Subsidiaries has all Permits required to conduct its business as currently conducted and operated, except for such Permits the failure to have or obtain would not, individually or in the aggregate, be reasonably expected to result in a Material Adverse Effect. Each such Permit is in full force and effect and the relevant party or Subsidiary is in compliance with all its obligations with respect thereto, except for such failure to be in full force and effect or non-compliance as would not, individually or in the aggregate, be reasonably expected to result in a Material Adverse Effect. There are no proceedings pending or threatened that would reasonably be expected to result in the revocation or termination of any Permit, except where such proceeding would not, individually or in the aggregate, be reasonably expected to result in a Material Adverse Effect.

(o) *Employee Benefits Matters.* Neither OILT nor any ERISA Affiliate sponsors, maintains, contributes to or is required to contribute to any Compensation and Benefit Plan, nor could any of the foregoing Persons have any liability, obligation or responsibility with respect to any Compensation and Benefit Plan.

(p) *Title to Properties; Rights of Way.*

(i) Such party and its Subsidiaries have good and indefeasible title to all real and personal property that are material to the business of such party and its Subsidiaries, in each case free and clear of all liens, encumbrances, claims and defects and imperfections of title except such as (A) do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by the such party, and (B) could not reasonably be expected to have a Material Adverse Effect on such party and its Subsidiaries, taken as a whole.

(ii) Such party and its Subsidiaries have such consents, easements, rights-of-way or licenses from any person (“Rights-of-Way”) as are necessary to conduct its business in the manner described in the party’s SEC Documents, except for such Rights-of-Way the failure of which to have obtained would not have, individually or in the aggregate, a Material Adverse Effect on such party and its Subsidiaries taken as a whole;

such party and its Subsidiaries have fulfilled and performed all of their material obligations with respect to such Rights-of-Way and no event has occurred which allows, or after notice or lapse of time would allow, revocation or termination thereof or would result in any impairment of the rights of the holder of any such Rights-of-Way, except for such revocations, terminations and impairments that will not have a Material Adverse Effect on such party and its Subsidiaries taken as a whole; and none of such Rights-of-Way contains any restriction that is materially burdensome to the such party and its Subsidiaries, taken as a whole.

(q) *Operations of MergerCo.* In the case of Partners, MergerCo was formed solely for the purpose of engaging in the transactions contemplated by this Agreement and has engaged in no business other than in connection with entering into this Agreement and engaging in the transactions contemplated hereby.

(r) *OILT Fairness Opinion.* Jefferies LLC has delivered to the OTLP GP Conflicts Committee its written opinion to the effect that, as of the date of such opinion and subject to certain assumptions, qualifications, limitations and other matters stated therein, the Exchange Ratio is fair, from a financial point of view, to the OILT Unaffiliated Unitholders.

(s) *No Material Adverse Effect.* In the case of Partners, since December 31, 2013, there has not been any event, change, effect, development, condition or occurrence that, individually or in the aggregate, has had or would reasonably be expected to have, a Material Adverse Effect on Partners. In the case of OILT, since December 31, 2013, there has not been any event, change, effect, development, condition or occurrence that, individually or in the aggregate, has had or would reasonably be expected to have, a Material Adverse Effect on OILT.

Section 6.2 *OILT Unitholder Meeting.*

(a) Subject to the terms and conditions of this Agreement, and except as permitted by Section 6.2(b), OILT shall take, in accordance with applicable Law, applicable stock exchange rules and the OILT Existing Partnership Agreement, all action necessary to call, hold and convene the OILT Meeting to consider and vote upon the approval of this Agreement and the Merger, and any other matters required to be approved by OILT Unitholders for consummation of the OILT Merger Transactions, promptly after the date hereof. Subject to Section 6.2(b) and Section 6.6, the OTLP GP Conflicts Committee and the OTLP GP Board shall recommend approval of this Agreement and the Merger to the holders of OILT Common Units (the “OILT Recommendation”), and, subject to Section 6.6, OILT shall take all reasonable lawful action to solicit such approval by the holders of OILT Common Units.

(b) Notwithstanding anything to the contrary in this Agreement, if there occurs an OILT Change in Recommendation in accordance with this Agreement, OILT shall not be required to call, hold or convene the OILT Meeting.

(c) OILT shall not, without the prior written consent of Partners (which consent shall not be unreasonably withheld, delayed or conditioned), adjourn or postpone the OILT Meeting; *provided* that OILT may, without the prior written consent of Partners but after consultation with Partners, adjourn or postpone the OILT Meeting (i) if, as of the time for which the meeting is originally scheduled (as set forth in the Proxy Statement/Prospectus), there are an insufficient number of OILT Common Units represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of the OILT Meeting, (ii) if the failure to adjourn or postpone the meeting is determined by the OTLP GP Conflicts Committee to be reasonably likely to result in a violation of Law for the distribution of any required supplement or amendment to the Proxy Statement/Prospectus, or (iii) for a single period not to exceed ten (10) Business Days, to solicit additional proxies if necessary to obtain OILT Unitholder Approval. Once OILT has established a record date for the OILT Meeting, OILT shall not change such record date or establish a different record date for the meeting without the prior written consent of Partners (which consent shall not be unreasonably withheld, delayed or conditioned). Without the prior written consent of Partners, the adoption of this Agreement shall be the only matter (other than matters of procedure and matters required by Law to be voted on by OILT Unitholders in connection with the approval of this Agreement and the transactions contemplated hereby) that OILT shall propose to be acted on by the OILT Unitholders at the OILT Meeting.

Section 6.3 *Registration Statement.*

(a) Each of Partners and OILT agrees to cooperate in the preparation of the Registration Statement (including the Proxy Statement/ Prospectus constituting a part thereof and all related documents) to be filed by Partners with the SEC in connection with the issuance of the New Common Units in the Merger as contemplated by this Agreement. Provided OILT has cooperated as required above, Partners agrees to file the Registration Statement with the SEC as promptly as practicable. Each of OILT and Partners agrees to use all commercially reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as practicable after filing thereof. Partners also agrees to use commercially reasonable best efforts to obtain all necessary state securities law or “Blue Sky” permits and

approvals required to carry out the transactions contemplated by this Agreement. Each of Partners and OILT agrees to furnish to the other party all information concerning Partners, Partners GP and their respective Subsidiaries or OILT, OTLP GP and their respective Subsidiaries, as applicable, and the officers, directors and unitholders of Partners and OILT and any applicable Affiliates, as applicable, and to take such other action as may be reasonably requested in connection with the foregoing. No filing of the Registration Statement will be made by Partners, and no filing of the Proxy Statement/Prospectus will be made by Partners or OILT, in each case without providing the other party a reasonable opportunity to review and comment thereon.

(b) Each of OILT and Partners agrees, as to itself and its Subsidiaries, that (i) none of the information supplied or to be supplied by it for inclusion or incorporation by reference in the Registration Statement will, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (ii) the Proxy Statement/Prospectus and any amendment or supplement thereto will, at the date of mailing to the holders of OILT Common Units and at the time of the OILT Meeting, not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each of OILT and Partners further agrees that if it shall become aware prior to the Closing Date of any information that would cause any of the statements in the Registration Statement to be false or misleading with respect to any material fact, or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not false or misleading, it will promptly inform the other party thereof and take the necessary steps to correct such information in an amendment or supplement to the Registration Statement.

(c) Partners will advise OILT, promptly after Partners receives notice thereof, of (i) the time when the Registration Statement has become effective or any supplement or amendment has been filed, (ii) the issuance of any stop order or the suspension of the qualification of the New Common Units for offering or sale in any jurisdiction, (iii) the initiation or threat of any proceeding for any such purpose, or (iv) any request by the SEC for the amendment or supplement of the Registration Statement or for additional information.

(d) OILT will use its commercially reasonable best efforts to cause the Proxy Statement/Prospectus to be mailed to the OILT Unitholders as soon as practicable after the effective date of the Registration Statement.

Section 6.4 *Press Releases*. Prior to an OILT Change in Recommendation, if any, each of OILT and Partners will not, without the prior approval of the OTLP GP Conflicts Committee in the case of Partners and the Partners GP Board in the case of OILT, issue any press release or written statement for general circulation relating to the transactions contemplated hereby, except as otherwise required by applicable Law or the rules of the NYSE, in which case it will consult with the other party before issuing any such press release or written statement.

Section 6.5 Access; Information.

(a) Upon reasonable notice and subject to applicable Laws relating to the exchange of information, each party shall, and shall cause its Subsidiaries to, afford the Other Parties and their Representatives, access, during normal business hours throughout the period prior to the Effective Time, to all of its properties, books, contracts, commitments and records, and to its Representatives, and, during such period, it shall, and shall cause its Subsidiaries to, furnish promptly to such Person and its Representatives (i) a copy of each material report, schedule and other document filed by it pursuant to the requirements of federal or state securities law (other than reports or documents that Partners or OILT or their respective Subsidiaries, as the case may be, are not permitted to disclose under applicable Law) and (ii) all other information concerning its business, properties and personnel as the Other Parties may reasonably request. Neither OILT nor Partners nor any of their respective Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would jeopardize the attorney-client privilege (or other applicable privilege or immunity) of the institution in possession or control of such information or contravene any Law, fiduciary duty or binding agreement entered into prior to the date of this Agreement. The parties hereto will make appropriate substitute disclosure arrangements under the circumstances in which the restrictions of the immediately preceding sentence apply.

(b) Partners and OILT, respectively, will not use any information obtained pursuant to this Section 6.5 (to which it was not entitled under Law or any agreement other than this Agreement) for any purpose unrelated to (i) the consummation of the transactions contemplated by this Agreement or (ii) the matters contemplated by Section 6.6 in accordance with the terms thereof, and will hold all information and documents obtained pursuant to this Section 6.5 in confidence. No investigation by either party of the business and affairs of the other shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to either party's obligation to consummate the transactions contemplated by this Agreement.

Section 6.6 No Solicitation; Acquisition Proposals; Change in Recommendation.

(a) Neither OTLP GP nor OILT shall, and they shall use their commercially reasonable best efforts to cause their Representatives not to, directly or indirectly, (i) initiate, solicit, knowingly encourage or knowingly facilitate any inquiries or the making or submission of any proposal that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal, or (ii) participate in any discussions or negotiations regarding, or furnish to any person any non-public information with respect to, any Acquisition Proposal. Notwithstanding the foregoing, but subject to the limitations in Sections 6.6(b) and (c), nothing contained in this Agreement shall prohibit OILT or any of its Representatives from furnishing or making available any information or data pertaining to OILT, or entering into or participating in discussions or negotiations with, any person that makes an unsolicited written Acquisition Proposal that did not result from a material, knowing and intentional breach of this Section 6.6 (a "Receiving Party"), if (i) the OTLP GP Conflicts Committee after consultation with its outside legal counsel and financial advisors, determines in its good faith judgment (A) that such Acquisition Proposal constitutes or is likely to result in a Superior Proposal, and (B) that failure to take such action would be inconsistent with its duties under the OILT Existing Partnership Agreement and applicable Law and (ii) prior to furnishing or making available any such non-public information to such Receiving Party (including any information pertaining to OILT Subsidiaries in which Partners has an equity interest or transactions to which Partners is a party), OILT receives from such Receiving Party an executed Confidentiality Agreement.

(b) Except as otherwise provided in this Section 6.6(b), neither the OTLP GP Conflicts Committee nor the OTLP GP Board shall: (i) (A) withdraw, modify or qualify in any manner adverse to Partners the OILT Recommendation or (B) publicly approve or recommend, or publicly propose to approve or recommend, any Acquisition Proposal (any action described in this clause (i) being referred to as an “OILT Change in Recommendation”); or (ii) approve, adopt or recommend, or publicly propose to approve, adopt or recommend, or allow OILT or any of its Subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement, or other similar contract or any tender or exchange offer providing for, with respect to, or in connection with, any Acquisition Proposal. Notwithstanding the foregoing, at any time prior to obtaining the OILT Unitholder Approval, the OTLP GP Conflicts Committee may make an OILT Change in Recommendation if it has concluded in its good faith judgment, after consultation with its outside legal counsel and financial advisors, that failure to make an OILT Change in Recommendation would be inconsistent with its duties under the OILT Existing Partnership Agreement and applicable Law; *provided, however*, that (1) the OTLP GP Conflicts Committee shall not be entitled to exercise its right to make an OILT Change in Recommendation pursuant to this sentence unless OILT and OTLP GP have: (v) complied in all material respects with this Section 6.6, (w) provided to Partners and the Partners Audit Committee three (3) Business Days prior written notice (such notice, a “Notice of Proposed Recommendation Change”) advising Partners that the OTLP GP Conflicts Committee intends to take such action and specifying the reasons therefor in reasonable detail, including, if applicable, the material terms and conditions of any Superior Proposal that is the basis of the proposed action and the identity of the Person making the proposal (it being understood and agreed that any material amendment to the terms of any such Superior Proposal shall require a new Notice of Proposed Recommendation Change and an additional three (3) Business Day period), (x) if applicable, provided to Partners all materials and information delivered or made available to the Person or group of persons making any Superior Proposal in connection with such Superior Proposal (to the extent not previously provided), (y) OILT has negotiated, and has caused its Representatives to negotiate, in good faith with Partners during such notice period, to the extent Partners wishes to negotiate, to enable Partners to propose revisions to the terms of this Agreement such that it would permit the OTLP GP Conflicts Committee not to make an OILT Change in Recommendation pursuant to this Section 6.6(b) and (z) upon the end of such notice period, the OTLP GP Conflicts Committee shall have considered in good faith any revisions to the terms of this Agreement proposed by Partners, and shall have determined, after consultation with its financial advisor and outside legal counsel, that the OTLP GP Conflicts Committee’s duties under the OILT Existing Partnership Agreement and applicable Law continue to require an OILT Change in Recommendation and (2) the OTLP GP Conflicts Committee shall not be entitled to make an OILT Change in Recommendation in response to an Acquisition Proposal unless such Acquisition Proposal constitutes a Superior Proposal. Notwithstanding any provision in this Agreement to the contrary, Partners and Partners GP shall maintain, and cause their Representatives to maintain, the confidentiality of all information received from OILT pursuant to this Section 6.6, subject to the exceptions contained in the Confidentiality Agreement. OILT agrees that it and its Affiliates will not enter into any agreement with any Person subsequent to the date of this Agreement which prohibits OILT from

providing any information to Partners in accordance with this Section 6.6. In the event that OILT is otherwise entitled to provide information to a Receiving Party under Section 6.6(a), OILT shall promptly provide or make available to Partners any non-public information concerning OILT or any of its Subsidiaries that is provided or made available to any Receiving Party pursuant to this Section 6.6 that was not previously provided or made available to Partners. Notwithstanding anything in this Agreement to the contrary, for the purposes of this Section 6.6(b), without the prior written consent of Partners, no Acquisition Proposal shall constitute a Superior Proposal if such Acquisition Proposal is conditioned on completion of a Partners Acquisition Proposal.

(c) In addition to the obligations of OILT set forth in this Section 6.6, OILT shall as promptly as practicable (and in any event within the periods set forth later in this sentence) advise Partners orally, within 24 hours after receipt, and in writing, within 48 hours after receipt, of any Acquisition Proposal or any matter giving rise to a OILT Change in Recommendation and the material terms and conditions of any such Acquisition Proposal or any matter giving rise to a OILT Change in Recommendation (including any changes thereto) and the identity of the Person making any such Acquisition Proposal. OILT shall keep Partners informed on a reasonably current basis of material developments with respect to any such Acquisition Proposal or any matter giving rise to an OILT Change in Recommendation.

(d) Nothing contained in this Agreement shall prevent OILT or the OTLP GP Conflicts Committee from taking and disclosing to the holders of OILT Common Units a position contemplated by Rule 14d-9 and Rule 14e-2(a) promulgated under the Exchange Act (or any similar communication to limited partners of OILT) or from making any legally required disclosure to holders of OILT Common Units. Any “stop-look-and-listen” communication by OILT or the OTLP GP Board to the limited partners of OILT pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any similar communication to the limited partners of OILT) shall not be considered a failure to make, or a withdrawal, modification or change in any manner adverse to Partners of, all or a portion of the OILT Recommendation.

Section 6.7 *Takeover Laws*. Neither OILT nor Partners shall take any action that would cause the transactions contemplated by this Agreement to be subject to requirements imposed by any Takeover Laws, and each of them shall take all necessary steps within its control to exempt (or ensure the continued exemption of) the transactions contemplated by this Agreement from, or if necessary challenge the validity or applicability of, any rights plan adopted by such party or any applicable Takeover Law, as now or hereafter in effect, including Takeover Laws of any state that purport to apply to this Agreement or the transactions contemplated hereby.

Section 6.8 *No Rights Triggered*. Each of OILT and Partners shall take all steps necessary to ensure that the entering into of this Agreement and the consummation of the transactions contemplated hereby and any other action or combination of actions, or any other transactions contemplated hereby, do not and will not result in the grant of any Rights to any person (a) in the case of OILT, under the OILT Existing Partnership Agreement, and, in the case of Partners, under the Partners Partnership Agreement or (b) under any material agreement to which it or any of its Subsidiaries is a party.

Section 6.9 *New Common Units Listed*. Partners shall use its commercially reasonable best efforts to list the New Common Units prior to the Closing on the NYSE, subject to official notice of issuance of the New Common Units.

Section 6.10 *Third-Party Approvals*.

(a) Partners and OILT and their respective Subsidiaries shall cooperate and use their respective commercially reasonable best efforts to prepare all documentation, to effect all filings, to obtain all permits, consents, approvals and authorizations of all Governmental Authorities and third parties necessary to consummate the transactions contemplated by this Agreement and to comply with the terms and conditions of such permits, consents, approvals and authorizations and to cause the Merger to be consummated as expeditiously as practicable. Each of Partners and OILT shall have the right to review in advance, and to the extent practicable each will consult with the other, in each case subject to applicable Laws relating to the exchange of information, with respect to, all material written information submitted to any third party or any Governmental Authorities in connection with the transactions contemplated by this Agreement. In exercising the foregoing right, each of the parties hereto agrees to act reasonably and promptly. Each party hereto agrees that it will consult with the Other Parties with respect to the obtaining of all material permits, consents, approvals and authorizations of all third parties and Governmental Authorities necessary or advisable to consummate the transactions contemplated by this Agreement, and each party will keep the Other Parties apprised of the status of material matters relating to completion of the transactions contemplated hereby.

(b) Each of Partners and OILT agrees, upon request, to furnish the other party with all information concerning itself, its Subsidiaries, directors, officers and unitholders and such other matters as may be reasonably necessary or advisable in connection with the Registration Statement, the Proxy Statement/Prospectus or any filing, notice or application made by or on behalf of such other party or any of such other party's Subsidiaries to any Governmental Authority in connection with the transactions contemplated hereby.

Section 6.11 *Indemnification; Directors' and Officers' Insurance*.

(a) In addition to and without limiting any additional rights that any director, officer, trustee, employee, agent, or fiduciary may have under any employment or indemnification agreement or under the OILT Existing Partnership Agreement, the OTLP GP Existing LLC Agreement, or this Agreement or, if applicable, similar organizational documents or agreements of any of OILT's Subsidiaries, from and after the Effective Time, Partners GP, Partners, OTLP GP and the Surviving Entity, jointly and severally, shall: (i) indemnify and hold harmless each person who is at the date hereof or during the period from the date hereof through the date of the Effective Time serving as a director or officer of OTLP GP or of any of its Subsidiaries or as a trustee of (or in a similar capacity with) any Compensation and Benefit Plan of any thereof (collectively, the "Indemnified Parties") to the fullest extent authorized or permitted by applicable Law, as now or hereafter in effect, in connection with any Claim or Action and any losses, claims, damages, liabilities, costs, Indemnification Expenses, judgments, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of any thereof) resulting therefrom; and (ii) promptly pay on behalf of or, within 10 days after any request for advancement, advance to each of the

Indemnified Parties, any Indemnification Expenses incurred in defending, serving as a witness with respect to or otherwise participating with respect to any Claim or Action in advance of the final disposition of such Claim or Action, including payment on behalf of or advancement to the Indemnified Party of any Indemnification Expenses incurred by such Indemnified Party in connection with enforcing any rights with respect to such indemnification and/or advancement, in each case without the requirement of any bond or other security. The indemnification and advancement obligations of Partners GP, Partners, OTLP GP and the Surviving Entity pursuant to this Section 6.11(a) shall extend to acts or omissions occurring at or before the Effective Time and any Claim or Action relating thereto (including with respect to any acts or omissions occurring in connection with the approval of this Agreement and the consummation of the Merger and the transactions contemplated by this Agreement, including the consideration and approval thereof and the process undertaken in connection therewith and any Claim or Action relating thereto), and all rights to indemnification and advancement conferred hereunder shall continue as to any Indemnified Party who has ceased to be a director or officer of OTLP GP after the date hereof and shall inure to the benefit of such person's heirs, executors and personal and legal representatives. As used in this Section 6.11(a): (x) the term "Claim" means any threatened, asserted, pending or completed action or proceeding, whether instituted by any party hereto, any Governmental Authority or any other person, that any Indemnified Party in good faith believes might lead to the institution of any action or proceeding, whether civil, criminal, administrative, investigative or other, including any arbitration or other alternative dispute resolution mechanism ("Action"), arising out of or pertaining to matters that relate to such Indemnified Party's duties or service as a director or officer of OTLP GP or of any of its Subsidiaries or as a trustee of (or in a similar capacity with) any Compensation and Benefit Plan of any thereof; (y) the term "Indemnification Expenses" means reasonable attorneys' fees and all other reasonable costs, expenses and obligations (including experts' fees, travel expenses, court costs, retainers, transcript fees, duplicating, printing and binding costs, as well as telecommunications, postage and courier charges) paid or incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to investigate, defend, be a witness in or participate in, any Claim or Action for which indemnification is authorized pursuant to this Section 6.11(a), including any Action relating to a claim for indemnification or advancement brought by an Indemnified Party and (z) the phrase "to the fullest extent authorized or permitted by applicable Law" shall include, but not be limited to, (1) to the fullest extent permitted by any provision of Delaware Law that authorizes or permits additional indemnification by agreement or otherwise, or the corresponding provision of any amendment to or replacement of Delaware Law and (2) to the fullest extent authorized or permitted by any amendments to or replacements of Delaware Law adopted after the date of this Agreement that increase the extent to which an entity may indemnify its directors, officers, trustees, employees, agents, or fiduciaries or persons serving in any capacity in which any Indemnified Party serves. Any amendment, alteration or repeal of Delaware Law that adversely affects any right of any Indemnified Party shall be prospective only and shall not limit or eliminate any such right with respect to any Claim or Action involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment or repeal. Neither Partners, Partners GP, OTLP GP nor the Surviving Entity shall settle, compromise or consent to the entry of any judgment in any actual or threatened Claim or Action in respect of which indemnification has been or could be sought by such Indemnified Party hereunder unless such settlement, compromise or judgment includes an unconditional release of such Indemnified Party from all liability arising out of such Claim or Action without admission or finding of wrongdoing, or such Indemnified Party otherwise consents thereto.

(b) Without limiting the foregoing, the Partners Parties agree that all rights to indemnification, advancement of expenses and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time now existing in favor of the Indemnitees as provided in the OILT Existing Partnership Agreement or the OTLP GP Existing LLC Agreement (or, as applicable, the charter, bylaws, partnership agreement, limited liability company agreement, or other organizational documents of any of OILT's Subsidiaries) and indemnification agreements of OILT or OTLP GP or any of their respective Subsidiaries shall be assumed by the Surviving Entity, OTLP GP and Partners in the Merger, without further action, at the Effective Time and shall survive the Merger and shall continue in full force and effect in accordance with their terms.

(c) For a period of six years from the Effective Time, the OILT Existing Partnership Agreement, as it may be amended, restated or supplemented from time to time, shall contain provisions no less favorable with respect to indemnification, advancement of expenses and limitations on liability of directors and officers than are set forth in the OILT Existing Partnership Agreement, which provisions shall not be amended, repealed or otherwise modified for a period of six years from the Effective Time in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Effective Time, were Indemnified Parties, unless such modification shall be required by Law and then only to the minimum extent required by Law.

(d) For a period of six years from the Effective Time, Partners shall, or shall cause EPCO to, maintain in effect the current directors' and officers' liability insurance policies with aggregate coverage limits no less than under the policies in existence on the date hereof and covering the Indemnified Parties maintained by EPCO (but may substitute therefor other policies of at least the same coverage and amounts containing terms and conditions that are no less advantageous to the Indemnified Parties so long as that substitution does not result in gaps or lapses in coverage) with respect to matters occurring on or before the Effective Time, but neither Partners nor EPCO will be required to pay annual premiums in excess of 300% of the last annual premiums paid therefor prior to the date hereof and shall purchase as much coverage as is reasonably practicable for that amount if the coverage described in this Section 6.11(d) would cost in excess of that amount.

(e) If Partners GP, Partners, OTLP GP, the Surviving Entity or any of their respective successors or assigns (i) consolidates with or merges with or into any other person and shall not be the continuing or surviving corporation, partnership or other entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any person, then, and in each such case, proper provision shall be made so that the successors and assigns of Partners GP, Partners, OTLP GP or the Surviving Entity assume the obligations set forth in this Section 6.11.

(f) Partners GP, Partners and OTLP GP shall cause the Surviving Entity to perform all of the obligations of the Surviving Entity under this Section 6.11.

(g) This Section 6.11 shall survive the consummation of the Merger and is intended to be for the benefit of, and shall be enforceable by, the Indemnified Parties and the Indemnitees and their respective heirs and personal representatives, and shall be binding on Partners GP, Partners, OTLP GP, the Surviving Entity and their respective successors and assigns.

Section 6.12 *Notification of Certain Matters*. Each of OILT and Partners shall give prompt notice to the other of (a) any fact, event or circumstance known to it that (i) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in any Material Adverse Effect with respect to it or (ii) would cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein, and (b) (i) any change in its condition (financial or otherwise) or business or (ii) any litigation or governmental complaints, investigations or hearings, in each case to the extent such change, litigation, complaints, investigations, or hearings results in, or would reasonably be expected to result in, a Material Adverse Effect.

Section 6.13 *Rule 16b-3*. Prior to the Effective Time, (i) OILT shall take such steps as may be reasonably requested by any party hereto to cause dispositions of OILT equity securities (including derivative securities) pursuant to the transactions contemplated by this Agreement by each individual who is a director or officer of OILT to be exempt under Rule 16b-3 promulgated under the Exchange Act in accordance with that certain No-Action Letter dated January 12, 1999 issued by the SEC regarding such matters and (ii) Partners shall take such steps as may be reasonably requested by any party hereto to cause dispositions of Partners equity securities (including derivative securities) pursuant to the transactions contemplated by this Agreement by each individual who is a director or officer of Partners to be exempt under Rule 16b-3 promulgated under the Exchange Act in accordance with that certain No-Action Letter dated January 12, 1999 issued by the SEC regarding such matters.

Section 6.14 *OTLP GP Board Membership*. The members of the OTLP GP Board immediately prior to the Effective Time shall continue to serve as members of the OTLP GP Board following the Effective Time unless otherwise determined or removed effective at or after such time by the sole member of OTLP GP in accordance with the OTLP GP Existing LLC Agreement.

Section 6.15 *Distributions*. Each of OTLP GP and Partners GP shall consult with the Other Party regarding the declaration and payment of distributions in respect of the OILT Common Units and the Partners Common Units and the record and payment dates relating thereto, so that no OILT Unitholder shall receive two distributions, or fail to receive one distribution, for any single calendar quarter with respect to its applicable OILT Common Units or any Partners Common Units any such OILT Unitholder receives in exchange therefor pursuant to the Merger.

ARTICLE VII CONDITIONS TO CONSUMMATION OF THE MERGER

The obligations of each of the parties to consummate the Merger are conditioned upon the satisfaction at or prior to the Closing of each of the following, any one or more of which may be waived by the appropriate party in writing:

Section 7.1 *Unitholder Vote*. This Agreement and the Merger shall have been approved by OILT Unitholder Approval.

Section 7.2 *Governmental Approvals*. All filings required to be made prior to the Effective Time with, and all other consents, approvals, permits and authorizations required to be obtained prior to the Effective Time from, any Governmental Authority in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby by the parties hereto or their Affiliates shall have been made or obtained, except where the failure to obtain such consents, approvals, permits and authorizations would not be reasonably likely to result in a Material Adverse Effect on Partners or OILT; provided, however, that prior to invoking this condition, the invoking party shall have complied in all material respects with its obligations under Section 6.10.

Section 7.3 *No Injunction*. No order, decree or injunction of any court or agency of competent jurisdiction shall be in effect, and no Law shall have been enacted or adopted, that enjoins, prohibits or makes illegal consummation of any of the transactions contemplated hereby, and no action, proceeding or investigation by any Governmental Authority with respect to the Merger or the other transactions contemplated hereby shall be pending that seeks to restrain, enjoin, prohibit or delay consummation of the Merger or such other transaction or to impose any material restrictions or requirements thereon or on Partners or OILT with respect thereto; *provided, however*, that prior to invoking this condition, the invoking party shall have complied fully with its obligations under Section 6.1.

Section 7.4 *Representations, Warranties and Covenants of the Partners Parties*. In the case of OILT's obligation to consummate the Merger:

(a) each of the representations and warranties contained herein of the Partners Parties qualified as to materiality or Material Adverse Effect shall be true and correct in all respects and those not so qualified shall be true and correct in all material respects upon the Closing Date with the same effect as though all such representations and warranties had been made on the Closing Date, except for any such representations and warranties made as of a specified date, which shall be true and correct as of such date in all material respects.

(b) each and all of the agreements and covenants of the Partners Parties to be performed and complied with pursuant to this Agreement on or prior to the Closing Date shall have been duly performed and complied with in all material respects; and

(c) OILT shall have received a certificate signed by the Chief Executive Officer of Partners GP, dated the Closing Date, to the effect set forth in Section 7.4(a) and Section 7.4(b).

Section 7.5 *Representations, Warranties and Covenants of the OILT Parties*. In the case of Partners' obligation to consummate the Merger:

(a) each of the representations and warranties contained herein of the OILT Parties qualified as to materiality or Material Adverse Effect shall be true and correct in all respects and those not so qualified shall be true and correct in all material respects as of the date of this Agreement and upon the Closing Date with the same effect as though all such representations and warranties had been made on the Closing Date, except for any such representations and warranties made as of a specified date, which shall be true and correct as of such date in all material respects.

(b) each and all of the agreements and covenants of the OILT Parties to be performed and complied with pursuant to this Agreement on or prior to the Closing Date shall have been duly performed and complied with in all material respects; and

(c) Partners shall have received a certificate signed by the Chief Executive Officer of OTLP GP, dated the Closing Date, to the effect set forth in Section 7.5(a) and Section 7.5(b).

Section 7.6 *Effective Registration Statement*. The Registration Statement shall have become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been initiated or threatened by the SEC.

Section 7.7 *Opinion of Andrews Kurth LLP*. In the case of Partners' obligation to consummate the Merger, Partners shall have received an opinion from Andrews Kurth LLP, counsel to Partners (and Partners shall have provided a copy of such opinion to the OTLP GP Conflicts Committee), to the effect that:

(a) at least 90% of the combined gross income of each of OILT and Partners for all of calendar year 2013 and all calendar quarters of 2014 ending before the Closing Date for which the necessary financial information is available constitutes qualifying income within the meaning of Section 7704(d) of the Code; and

(b) no gain or loss should be recognized for U.S. federal income tax purposes by existing Partners Unaffiliated Unitholders as a result of the Merger (other than gain resulting from any decrease in partnership liabilities pursuant to Section 752 of the Code).

In rendering such opinions, Andrews Kurth LLP may require and rely upon customary representations and covenants regarding certain factual matters including those contained in certificates of officers of Partners GP and others and opinions of Delaware counsel reasonably satisfactory in form and substance to Andrews Kurth LLP.

Section 7.8 *Opinion of Vinson & Elkins L.L.P.* In the case of OILT's obligation to consummate the Merger, OILT shall have received an opinion from Vinson & Elkins L.L.P., counsel to OILT, to the effect that no gain or loss should be recognized for U.S. federal income tax purposes by the holders of OILT Public Common Units to the extent Partners Common Units are received in exchange for OILT Public Common Units as a result of the Merger (other than gain resulting from either (i) any decrease in partnership liabilities pursuant to Section 752 of the Code or (ii) a sale of the New Common Units pursuant to Section 3.3(e)).

In rendering such opinion, Vinson & Elkins L.L.P. may require and rely upon customary representations and covenants regarding certain factual matters including those contained in certificates of officers of OTLP GP and others and opinions of Delaware counsel reasonably satisfactory in form and substance to Vinson & Elkins L.L.P.

Section 7.9 *NYSE Listing*. The New Common Units shall have been approved for listing on the NYSE, subject to official notice of issuance.

ARTICLE VIII TERMINATION

Section 8.1 *Termination*. Notwithstanding anything herein to the contrary, this Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time whether before or after OILT Unitholder Approval:

(a) By the mutual consent of Partners and OILT in a written instrument.

(b) By either Partners or OILT upon written notice to the other party, if:

(i) the Merger has not been consummated on or before March 31, 2015 (the "Termination Date"); *provided, however*, that the right to terminate this Agreement pursuant to this Section 8.1(b)(i) shall not be available to a party whose failure to fulfill any material obligation under this Agreement or other material breach of this Agreement has been the primary cause of, or resulted in, the failure of the Merger to have been consummated on or before such Termination Date;

(ii) any Governmental Authority has issued a statute, rule, order, decree or regulation or taken any other action, in each case permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger or making the Merger illegal and such statute, rule, order, decree, regulation or other action shall have become final and nonappealable (*provided* that the terminating party is not then in material breach of Section 6.1);

(iii) OILT (A) determines not to, or otherwise fails to, hold the OILT Meeting in accordance with Section 6.2 or (B) does not obtain the OILT Unitholder Approval at the OILT Meeting; *provided, however*, that the right to terminate this Agreement under this Section 8.1(b)(iii) shall not be available to a terminating party where the failure to obtain the OILT Unitholder Approval shall have been caused by the action or failure to act of such party and such action or failure to act constitutes a breach by such party of this Agreement;

(iv) there has been a material breach of or any material inaccuracy in any of the representations or warranties set forth in this Agreement on the part of any of the Other Parties (treating Partners and Partners GP as one party for the purposes of this Section 8.1 and treating OILT and OTLP GP as one party for the purposes of this Section 8.1), which breach is not cured within 30 days following receipt by the breaching party of written notice of such breach from the terminating party, or which breach, by its nature,

cannot be cured prior to the Termination Date (*provided* in any such case that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein); *provided, however*, that no party shall have the right to terminate this Agreement pursuant to this Section 8.1(b)(iv) unless the breach of a representation or warranty, together with all other such breaches, would entitle the party receiving such representation not to consummate the transactions contemplated by this Agreement under Section 7.4 (in the case of a breach of representation or warranty by Partners or Partners GP) or Section 7.5 (in the case of a breach of representation or warranty by OILT or OTLP GP); or

(v) if there has been a material breach of any of the covenants or agreements set forth in this Agreement on the part of any of the Other Parties, which breach has not been cured within 30 days following receipt by the breaching party of written notice of such breach from the terminating party, or which breach, by its nature, cannot be cured prior to the Termination Date (*provided* in any such case that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein); *provided, however*, that no party shall have the right to terminate this Agreement pursuant to this Section 8.1(b)(v) unless the breach of covenants or agreements, together with all other such breaches, would entitle the party receiving the benefit of such covenants or agreements not to consummate the transactions contemplated by this Agreement under Section 7.4 (in the case of a breach of covenants or agreements by Partners or Partners GP) or Section 7.5 (in the case of a breach of covenants or agreements by OILT or OTLP GP).

(c) By either Partners or the OTLP GP Conflicts Committee on behalf of OILT, upon written notice to the other parties, in the event that an OILT Change in Recommendation has occurred.

(d) By the OTLP GP Conflicts Committee on behalf of OILT in order for OILT to accept a Superior Proposal and enter into an agreement with respect to such Superior Proposal.

Section 8.2 *Effect of Termination*. In the event of the termination of this Agreement as provided in Section 8.1, written notice thereof shall forthwith be given by the terminating party to the other parties specifying the provision of this Agreement pursuant to which such termination is made, and except as provided in this Section 8.2, this Agreement (other than Section 6.5(b) and Article IX) shall forthwith become null and void after the expiration of any applicable period following such notice. In the event of such termination, there shall be no liability on the part of any party hereto, except as set forth in Section 9.1 of this Agreement and except with respect to the requirement to comply with the Confidentiality Agreement; *provided, however*, that nothing herein shall relieve any party from any liability or obligation with respect to fraud or the willful and material breach of a covenant or agreement contained herein. In the case of fraud or willful and material breach of a covenant or agreement contained herein, then the parties hereto shall be entitled to all remedies available at law or in equity. For purposes of this Agreement, “willful and material breach” means a deliberate act or failure to act, which act or failure to act constitutes in and of itself a material breach of this Agreement that the breaching party had Knowledge would or would reasonably be expected to breach its obligations under this Agreement.

**ARTICLE IX

(b) This Section 9.1 shall survive any termination of this Agreement.

Section 9.2 *Waiver; Amendment; OILT Approvals and Consents.*

(a) Subject to compliance with applicable Law, prior to the Closing, any provision of this Agreement, except Section 7.1, may be (i) waived in writing by the party benefited by the provision, or (ii) amended or modified at any time, whether before or after the OILT Unitholder Approval, by an agreement in writing between the parties hereto; *provided*, that after the OILT Unitholder Approval, no amendment shall be made to the nature or amount of the Merger Consideration or that results in a material adverse effect on the OILT Unaffiliated Unitholders without OILT Unitholder Approval (OTLP GP being hereby authorized to approve any other amendment on behalf of OILT without any other approval of the OILT Unitholders); and *provided, further*, in addition to any other approvals required by the parties' constituent documents or under this Agreement, the foregoing waivers, amendments or modifications in clauses (i) and (ii) are approved by the Partners Audit Committee in the case of Partners, and by the OTLP GP Board and the OTLP GP Conflicts Committee in the case of OILT.

(b) Unless otherwise expressly set forth in this Agreement, whenever a determination, decision, approval or consent of OILT or OILT GP is required pursuant to or otherwise in connection with this Agreement, such determination, decision, approval or consent shall require the determination, decision, approval or consent of each of the OTLP GP Board and the OTLP GP Conflicts Committee, and shall not require any approval of the OILT Unitholders.

Section 9.3 *Counterparts.* This Agreement may be executed in one or more counterparts, each of which shall be deemed to constitute an original.

Section 9.4 *Governing Law.* This Agreement shall be governed by, and interpreted in accordance with, the Laws of the State of Delaware (except to the extent that mandatory provisions of federal law govern), without regard to the conflict of law principles thereof.

Section 9.5 *Confidentiality.* Each of the parties hereto and their respective agents, attorneys and accountants will maintain the confidentiality of all information provided in connection herewith to the extent required by, and subject to the limitations of, Section 6.5(b).

The parties hereto agree that to the fullest extent permitted by law, any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any federal court located in the State of Delaware or the Delaware Court of Chancery, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that to the fullest extent permitted by law, service of process on such party as provided in Section 9.6 shall be deemed effective service of process on such party.

Section 9.11 *Waiver of Jury Trial*. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12 *Specific Performance*. The parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and, accordingly, that the parties shall, to the fullest extent permitted by law, be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any federal court located in the State of Delaware or in the Delaware Court of Chancery, in addition to any other remedy to which they are entitled at law or in equity.

Section 9.13 *Survival*. All representations, warranties, agreements and covenants contained in this Agreement shall not survive the Closing or the termination of this Agreement if this Agreement is terminated prior to the Closing; *provided, however*, that if the Closing occurs, the agreements of the parties in Article III, 6.11 and Article IX shall survive the Closing, and if this Agreement is terminated prior to the Closing, the agreements of the parties in Section 6.5(b), Section 8.2 and Article IX shall survive such termination.

Section 9.14 *No Recourse*. This Agreement may only be enforced against, and any claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement may only be made against, the entities that are expressly identified as parties hereto, and no former, current or future equity holders, controlling persons, directors, officers, employees, agents or Affiliates of any party hereto or any former, current or future equity holder, controlling person, director, officer, employee, general or limited partner, member, manager, agent or Affiliate of any of the foregoing (each, a "Non-Recourse Party") shall have any liability for any obligations or liabilities of the parties to this Agreement or for any claim (whether in tort, contract or otherwise) based on, in respect of, or by reason of, the transactions contemplated hereby or in respect of any representations made or alleged to be made in connection herewith. 6.5 Interpretation. The words “hereof,” “herein” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and Section references are to this Agreement unless otherwise specified. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. This Agreement is the product of negotiation by the parties having the assistance of counsel and other advisers. It is the intention of the parties that this Agreement not be construed more strictly with regard to one party than with regard to the others.

6.6 Counterparts. This Agreement may be executed by facsimile and in counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

6.7 Entire Agreement. This Agreement and, solely to the extent of the defined terms referenced herein, the Merger Agreement, together with the schedules annexed hereto, embody the complete agreement and understanding among the parties hereto with respect to the subject

matter hereof and supersede and preempt any prior understandings, agreements or representations by or among the parties, written and oral, that may have related to the subject matter hereof in any way.

6.8 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be governed by, and interpreted in accordance with, the laws of the State of Delaware (except to the extent that mandatory provisions of federal law govern), without regard to the conflict of law principles thereof.

(b) The parties hereto agree that to the fullest extent permitted by law, any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any federal court located in the State of Delaware or the Delaware Court of Chancery, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that to the fullest extent permitted by law, service of process on such party as provided in Section 6.4 shall be deemed effective service of process on such party.

(c) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

6.9 Amendment; Waiver. This Agreement may not be amended except by an instrument in writing signed by Oiltanking, the Partnership and the Unitholder. Each party may waive any right of such party hereunder by an instrument in writing signed by such party and delivered to the other parties hereto.

6.10 Remedies.

(a) Each party hereto acknowledges that monetary damages would not be an adequate remedy in the event that any covenant or agreement in this Agreement is not performed in accordance with its terms, and it is therefore agreed that, in addition to and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically the terms and provisions hereof. Each party hereto agrees not to oppose the granting of such relief in the event a court determines that such a breach has occurred, and to waive any requirement for the securing or posting of any bond in connection with such remedy.

(b) All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

6.11 Severability. Any term or provision of this Agreement which is determined by a court of competent jurisdiction to be invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction, and if any provision of this Agreement is determined to be so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable, in all cases so long as neither the economic nor legal substance of the transactions contemplated hereby is affected in any manner adverse to any party or its equityholders. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties as closely as possible and to the end that the transactions contemplated hereby shall be fulfilled to the maximum extent possible.

6.12 Action by Oiltanking. No waiver, consent or other action by or on behalf of Oiltanking pursuant to or as contemplated by this Agreement shall have any effect unless such waiver, consent or other action is expressly approved by the Board of Directors of Oiltanking GP and the OTLP GP Conflicts Committee.

6.13 Successors and Assigns; Third Party Beneficiaries. Neither this Agreement nor any of the rights or obligations of any party under this Agreement shall be assigned, in whole or in part (by operation of law or otherwise), by any party without the prior written consent of the other parties hereto. Subject to the foregoing, this Agreement shall bind and inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to confer on any Person other than the parties hereto or the parties' respective successors and permitted assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement.

**ENTERPRISE PRODUCTS AND OILTANKING PARTNERS
ANNOUNCE MERGER AGREEMENT**

Houston, Texas (November 12, 2014) – Enterprise Products Partners L.P. (NYSE: EPD, “Enterprise”) and Oiltanking Partners, L.P. (NYSE: OILT, “Oiltanking Partners”) announced today that Enterprise and Oiltanking Partners have entered into a merger agreement. Under the terms of the merger agreement, Oiltanking Partners would merge with a subsidiary of Enterprise in a unit-for-unit exchange. Unitholders of Oiltanking Partners (other than Enterprise and its subsidiaries) would receive 1.3 Enterprise common units for each Oiltanking Partners common unit. This exchange ratio represents a 5.6 percent premium to Oiltanking Partners unitholders based on the respective closing prices for Enterprise and Oiltanking Partners common units on September 30, 2014, the day before the merger was originally proposed. Relative to the respective closing prices for Enterprise and Oiltanking Partners common units on November 10, 2014, the day before the parties entered into the merger agreement, the 1.3 exchange ratio represents a 10.4 percent premium to Oiltanking Partners unitholders. Based on the latest cash distribution declared by Enterprise and Oiltanking Partners with respect to the third quarter of 2014, this exchange ratio would result in a 74 percent increase in cash distributions for Oiltanking Partners unitholders.

The approval and adoption of the merger agreement require approval by holders of a majority of the outstanding Oiltanking Partners common units. A subsidiary of Enterprise, which will own a sufficient number of Oiltanking Partners common units to approve the merger on behalf of all Oiltanking Partners unitholders, has executed a support agreement with Oiltanking Partners in which it has irrevocably agreed to consent to the merger. This subsidiary will own approximately 54.8 million Oiltanking Partners common units, or approximately 66 percent of the total Oiltanking Partners common units then outstanding, following the conversion of approximately 38.9 million Oiltanking Partners subordinated units into common units. The one-for-one conversion

of these subordinated units into common units will occur on November 17, 2014, the business day immediately following payment of the Oiltanking Partners cash distribution scheduled to be paid on November 14, 2014. Approval and adoption of the merger agreement will be submitted to a vote of the unitholders of Oiltanking Partners.

“We are pleased to announce the execution of this merger agreement that would result in the merger of Oiltanking Partners into Enterprise,” said Michael A. Creel, chief executive officer of the general partner of Enterprise. “The combination of Enterprise’s system of midstream assets and Oiltanking Partners’ access to waterborne markets and crude oil and petroleum products storage assets would extend and broaden Enterprise’s midstream energy services business. Upon completion of the merger, Oiltanking Partners unitholders would benefit from Enterprise’s scale, diversification and financial flexibility; visibility to growth driven by over \$6 billion of capital projects under construction; a significant increase in cash distributions; and more daily liquidity from ownership of Enterprise common units.”

On October 1, 2014, Enterprise announced that it had acquired the general partner and related incentive distribution rights, 15,899,802 common units and 38,899,802 subordinated units in Oiltanking Partners held by Oiltanking Holding Americas, Inc. (“Oiltanking Holding”). Enterprise paid total consideration of approximately \$4.41 billion to Oiltanking Holding comprised of \$2.21 billion in cash and 54,807,352 Enterprise common units. Enterprise also paid \$228 million to assume notes receivable issued by Oiltanking Partners and its subsidiaries. Enterprise also announced that it had submitted a proposal to the conflicts committee of the general partner of Oiltanking Partners to merge Oiltanking Partners with and into Enterprise. Under the terms of the proposal, Enterprise would have exchanged 1.23 Enterprise common units for each Oiltanking Partners common unit. The exchange ratio of 1.3 Enterprise common units for each Oiltanking Partners common unit represents a 5.7 percent increase compared to the exchange ratio in the earlier proposal.

Upon completion of the merger, which is expected to occur in early 2015, the total consideration paid by Enterprise for the Oiltanking Partners general partner and related incentive distribution rights and the limited partner units would be approximately \$6.0 billion.

The merger terms were negotiated, reviewed and approved by the conflicts committee of the board of directors of the general partner of Oiltanking Partners and approved by the board of directors of the general partner of Oiltanking Partners. The Oiltanking Partners conflicts committee is comprised of the independent members of the board of directors of Oiltanking Partners' general partner. As part of their evaluation process, the Oiltanking Partners conflicts committee retained Jefferies LLC as its financial advisor, Latham & Watkins LLP as its legal advisor and Richards, Layton & Finger, P.A. as its special Delaware legal advisor. Vinson & Elkins L.L.P. also acted as special legal counsel to Oiltanking Partners.

Citi acted as financial advisor and Andrews Kurth LLP and Akin Gump Strauss Hauer & Feld LLP acted as legal counsel to Enterprise.

The closing of the merger is subject to customary closing conditions, including effectiveness of a registration statement related to the issuance of new Enterprise common units to Oiltanking Partners' unitholders.
